Fineart55@yahoo.com

We are a small, woman-owned business, which has a patented cooling technology that is incorporated into sports apparel tops, safety vest, and military clothing for municipal, state, & federal agencies.

Flemming's LLC Safety Vest offers:

- R Cool Safety Vest prevents the effects of overheating
- R Cool Safety Vest provides immediate cooling to the core

COMPANY DATA

Ruth Flemming, owner established Flemming LLC in 2012. We are an innovative company which addresses health and wellness concerns of the future by creating products that are essential for work-life balance. Our patented product was designed with a special cooling component. We are committed to provide cool and comfort apparel for extreme heat work environments.

Our Safety Vest is flexible, which can be worn with or without cooling components. Products are made with a combination of nylon, mesh and spandex.
